MultiLanguage Center in Sandy Springs/Buckhead Offers

6-Week French Introductory Courses

Discover the Language! Experience the Culture!
Welcome to French Language! Welcome to France!

A 6-week course customized for students seeking an introduction to the French language, as well as for those planning a trip to France. As such, this class is more practical than grammatical in the sense that very little grammar will be taught other than what is required to support basic phraseology.

This is also a refreshing one for those who already studied some time ago in college or on their own and need a review.
